## Newsletter - August 2021

By the time this newsletter reaches you, it will be almost 1 month exactly until we will be hosting our Spring 2021 Show! If you haven't already been working towards this and giving those potential show champions a little TLC, then now is definitely the time. As the weather slowly starts to warm up keep an eye out for those nasty plant eating/sucking pests before they make a meal of your emerging young buds.

There will be plenty of opportunity for members to assist with the Spring Show, not only with entering plants or displays, but with a myriad of jobs to assist with ensuring that this event operates smoothly, especially in these turbulent times. We will be looking for volunteers at our next General Meeting to assist in the varying roles at the Show.

In preparation for the Show, the Executive and Committee have been working hard to ensure that all things COVID compliance are in place. There will be hand sanitiser available at the Show for all members and patrons to use.

If you are not feeling well, please refrain from attending the Show.

In moving with the COVID times, our Club now has a Queensland Government COVID QR Code for our General Meetings. It will now be a requirement that **ALL** who attend our General Meetings will check-in via the COVID Mobile App. **There will no longer be a paper sign in register**. If you do not have this App (*why not?*), you will be required to sign in as a guest with someone who has the App.

**Next Monthly Meeting: Tuesday 24<sup>th</sup> August 2021.  
Starts 7:30pm.**

**Notice to Members:** Please assist if you can with cleaning the hall after the meeting. ***-Editor.***

# GROWERS WORKSHOP

July 31<sup>st</sup> 2021

Pleasant weather favoured our visit to Rosemary Wines residence. Her delightfully set out garden rewarded us with a goodly collection of colourful flowers: for which Rosemary mainly credits her sister, Margaret. An avid gardener, Margaret is 'wintering' here in our milder weather before returning to Canberra to tend to her own garden once more.

Afternoon tea began the proceedings with a delectable selection of goodies, generously supplied by members.

Damage caused by the dreaded BOISDUVAL SCALE on Orchids & treatment there of was explained by John Frisch ~ our Guru on all things 'buggy'. Various insecticides & the difference between Wetting Agents & Stickers was clarified by John, invaluable information ~ particularly for our newer members. Thank you, John.

Rosemary followed on with her humorous account of another Orchid Growers nemesis ~ THE DENDROBIUM BEETLE! While Rosemary explained her experience of discovering what was under a blob of white 'stuff' on one of her orchids ~ a jar was passed around containing three little tykes, happily munching on a leaf, for all to identify, with a dire warning of DO NOT OPEN! Rosemary continued with information from an article written by & with permission from John, on the life cycle of said critters. Rosemary then demonstrated her method of cataloging her orchids: when bought, flowered, died, replaced & numbering of pots, etc...

The afternoon rounded off with a lively raffle of plants, kindly donated by members.

Many thanks to Rosemary & Margaret for your gracious hospitality.

BIRTHDAY WISHES TO ALL MEMBERS CELEBRATING IN August 🍰🍷

## Judging News

In early August judges of the Northern Panel of the Sub Tropical Orchid Council convened to assess an orchid for an Australian Orchid Council quality award.

Eight judges from Rockhampton, Gladstone and Calliope societies were in attendance. They conferred the highest award possible, a First Class Certificate or Gold medal in other countries, (quite apt during the Olympics) to a beautiful Paphiopedilum (Slipper Orchid) Paph. Johanna Burkhardt. A primary hybrid of two species, Paph. rothschildianum x Paph. adductum .

This delightful orchid belongs to ROSI member Doug Chippendale, who chose the cultivar name 'Janet's Gem', to honour his Grandma. Once passed by the AOC it will be known as Paph. Johanna Burkhardt 'Janet's Gem' FCC / AOC and used as a benchmark for future assessments of other cultivars of this Grex. Congratulations Doug!

# NOTES FOR SPRING SHOW - 18<sup>th</sup>/19<sup>th</sup> SEPTEMBER 2021

## Frenchville Sports Club

- 1) Setup of the Show is from **8am on Friday 17<sup>th</sup> September**. ALL furniture to be in place by 11am – Club display / setup stands / etc.

Show plants & sales plants can be tables from 11am and fished by 4pm. We will require orchids and foliage for the club display – Please notify the club display organiser if you have some. All plants in the display will be judged as well as tabled plants.

If you are able to assist with setting up it would be appreciated!

- 2) Plants for sale must be clean, established, and with no diseases or pests. You may sell other plants etc other than orchids.
- 3) Club commission on plant sales is 20%. **Prices are to be in whole dollars only, no cents.**
- 4) As sales space is limited due to changing to new venue, you will have to book sales tables / table space at the next meeting.
- 5) All plants must have our blue sales tag tickets on them where possible. Cost is \$2.00 for 20 and will be available for purchase at the next meeting. Plant sales barcode price tags must be affixed to the blue sales tags and these can be ordered from either Trish Craig or Barry English. Whole sheets of prices only (not sheets of mixed prices – unused sales labels can be retained and used at the next ROSI Show).

Plant sales barcode price tags can be collected from your relevant tag provider.

- 6) Don't forget with the new labelling system, you must have your list of plants that you are intending to show with you label issuer no later than that **Wednesday** prior to the show. Please let them have your lists as early as possible. If you have completed your list, don't leave it until the last minute! Remember that we only have two people compiling this show and let's be fair – they also have their own thing to do for the show.

If you have a plant that you think might be in flower for the show, request a plant label for it – there is no requirement to enter every plant that you have requested a plant label for.

Plant labels can be collected from your respective plant label provider.

Don't forget you **cannot** enter any plant that has not been registered with its unique number and name label!

- 7) Novice Growers need to have **a red star** on the front of your plant label to enable judges to distinguish Novice Grower's plants for when awarding Best Novice Plant of the Show.
- 8) A roster for the weekend for workers will be available at the August General Meeting.
- 9) The Saturday Night Dinner will commence at 7pm. Dinner will be a 2-course alternate drop.

Cost of the dinner is \$35.50. Members cost will be \$20 each with the Club subsidising the balance.

- 10) Our door raffle is a garden cart of garden items. Any donations would be appreciated! Please bring along to next meeting or drop in on the Friday morning of setup so we can have the garden cart ready when we open the Show on the Saturday.
- 11) Please remember to donate orchid flowers for our small posies that we sell at the Show. If you have any that you can spare, please help out. We also require any suitable foliage (eg/ ferns, heliconia's, small flowers, small golden cane palm fronds, etc). Maxine Maunder will be there on the Friday for you to drop some in, or any time over the Show. If no one is there please put in water, don't just leave on a bench as these will be no good the next day or worse, dead. Once again donations don't have to be just orchids, any small flowers and suitable foliage we can use would help.
- 12) Show Judging will be completed on the **Friday night**, with a small Judges/Stewards/Officials Dinner beforehand. All members will be required to leave the Hall by 5pm if you are not in one of the aforementioned groups.
- 13) If you wish to purchase sales plants prior to the opening of the Show, you may on the Friday afternoon. There will be someone on the sales register to take your payment and you will be required to take you plats with you. There will be **NO** sales before the Show opens Saturday morning.
- 14) We now have eftpos available for sales purchases, so please make use of this if you prefer to pay by plastic.
- 15) After the Show closes at 3pm on the Sunday, we would appreciate any assistance from members with packing up equipment, displays and general cleaning up of the venue.

## Spring Show Schedule 2021

Set up and table plants Friday 17<sup>th</sup> September, 12noon -5.30pm

Judging at 6.30pm

Open to the Public

Saturday 18<sup>th</sup> 8:00am – 4:00pm

Sunday 19<sup>th</sup> 8:00am – 3:00pm

President --- Jeff Bloxsom 0407995122

Show Marshall --- Jeff Glover 0409633469

Senior Steward --- Moyna Richardson

### Judging Rules

- (1) Entries are free and open only to financial members of Rockhampton Orchid Society Inc.
- (2) Show Judging shall conform to the judging standards of the Aust. Orchid Council. All plants entered shall be owned and grown by the exhibitor for the preceding six months.
- (3) Plants and floral art may be entered between 12noon and 5.00 pm on Friday 17<sup>th</sup> September. Judging will commence at 6.30pm that evening. Only Judges, Stewards and Officials are allowed in the venue at this time.
- (4) Plants may be exhibited in the club display or tabled. However, all orchid and foliage/fern plant names if known (or the section where it is to be exhibited) whether in a display, tabled or free hanging must be registered by the ROSI Barcode/Unique exhibitor's code system.
- (5) Members are to have their list of plants being entered supplied to your nominated 'collator' before 5pm Wednesday 15th September, to ensure your labels will be printed. The plant label should be attached as close to the inflorescence as possible either directly to the plant or by means of a suitably unobtrusive support stemming from the pot. Plants not eligible for judging, (eg. Not owned for six months etc.) should be clearly marked 'Not for Judging'. **Plants with no name label and unique number will not be judged.**

- (6) The only flowers other than orchids to be included in displays shall be Bromeliads, Anthuriums or related types. Cut Flowers are allowed in displays but are not eligible for judging. Classes refer to hybrids unless otherwise indicated. Plants are only eligible for judging in one section in a class. If there are five or more plants in a specific group not listed, an extra section may be created by the Show Marshall together with two committee members.
- (7) A bloom or blooms damaged or broken from an inflorescence in transit to the show will not disqualify that inflorescence, provided the damaged or detached blooms is placed on the pot. A bloom/s missing from an inflorescence of a plant that flowers progressively, shall not disqualify that inflorescence. Staking and tying for support will be permitted. In all genera, no inflorescence shall be tied or supported on any part of the flower or it's attachment to the inflorescence. Parafilm or florist's tape are not allowed as ties.
- (8) Prizes awarded for 1<sup>st</sup> & 2<sup>nd</sup> in each section. Class Champions shall be selected from the winners of each section in that class. **Best Aust. Species** and **Best Exotic Species** shall be selected from the Species class. **Best Specimen Orchid** will be selected from all plants exhibited. **Grand Champion Orchid** of the show shall be selected from all Class Champions plus **both** 'Best Species' and 'Best Specimen'.

The **Reserve Champion Orchid** shall be selected from the remaining Class Champions and Best Species, Best Specimen and runner up to 'Class Champion' in the Grand Champion's class.

- (9) **Container Displays:** The container may be a pot. Saucer, basket or natural structure, such as, a hollow tree section or other device to house and support the display. Overall dimensions shall fit within a 50cm square area with no height restriction but must be free standing. A minimum of two (2) flowering orchid plants along with cut flowers, if needed, shall be in the display plus embellishments and other props which may be used to highlight a theme. The only flowers allowed in the display, other than orchids are bromeliads and anthuriums or related types. **Flowering orchid plants within the display are eligible for individual judging but must comply with barcode/unique number rules.** Container display judging will be based on the overall aesthetic appearance and quality of all the plants included and will be completed before any individual judging. No one style of display is the ideal. All styles are of equal value when being judged.
- (10) The Show Marshall in conjunction with selected judges shall have the right to refuse the exhibition of any plant which, in their opinion appears diseased or pest infected. Both plant sale supervisors will have authority to accept or reject any plant/s submitted for sale with disease or pests in evidence. Commission to the Society on plant sales is 20%. Judges, with notification to the Show Marshall, have the power to withhold any prize in any section.

**The Judges' decisions are final.**

- (11) The Rockhampton Orchid Society Inc. or its agents will accept no responsibility for theft, loss, destruction, or damage to plants or property.
