Rockhampton Orchid Society Inc

Newsletter – January 2024

Hope you all had a very happy and safe Christmas/New Year Break. Where did 2023 go? Last year seemed to fly past very quickly. It was nice having a break from my Newsletter editing role, I am now refreshed and ready to go for 2024.

Our Christmas Awards Evening held at the Rockhampton Leagues Club was a great way to finish 2023 with around 110 attendees. The night went well with many prizes taken home from the lucky spot, multidraw raffle and lucky door prizes. Congratulations to Jeff and the members who set up the room for the night.

In this newsletter there is – Photos from our Christmas Awards Evening – Monthly Meeting Annual Competition Rules – Results from the 2023 Annual Competition – Information relating to the ROSI AGM next month - Membership Renewal Form (please fill out especially if you have any changes of name/address/phone number/email address that has happened since last January – AGM Nomination Form for Nominating for Executive Positions – Copy of last year's AGM Minutes.

Our first event for the year is our Autumn Show on 13th & 14th April with set-up on the 12th. The venue has been booked for this. Sadly, with Korte's Resort not available we were left with the dilemma of where to host the show. Jeff and several committee members checked out the old Art Gallery besides the Pilbeam Theatre and it was decided that this was our only suitable option. We will also host our Spring Show in this venue and hope that the Frenchville Sports Club renovations will be completed to allow us to host our 2025 shows once again at that venue.

With our AGM next month, it would be great to see some new faces on the committee to give some of our current members a break, some have already indicated they won't re-stand this year. Please consider putting your hand up, remember more hands make light work, and new members bring in new ideas.

Sandra Rowcliffe - Editor.

**Next Monthly Meeting: Saturday 27th January 2024.
Doors Open 12.30pm and Meeting Starts at 1:30pm.**

Plants must be tabled by 1.20pm at the latest.

Notice to Members: Please assist if you can with cleaning the hall after the meeting.

Any original article contained in a Rockhampton Orchid Society Newsletter may be re-printed for educational or information purposes, if, the Author and Newsletter & Edition are referenced.⁷⁰

General Raffle

Kathy Zammit, Denise Philp x 2, Shirley Cantwell, Rosemary Wines, Sue Eggleshaw, Lyn Hopes, Bernard Hilse, Gwen Breingan, Bob Jenkins, and Daphne Jenkinson.

Meeting closed at 2.55 pm for afternoon tea.

Next Committee meeting will be in 2024 following the January General Meeting – date to be advised in January Newsletter - at Jeff Bloxson's Residence 12 Harden Street North Rockhampton.

Tony March

Vice President

Sandra Rowcliffe

Orchid of the month

This month I am covering the genus *Dendrobium sulcatum*. An exquisite flowering plant was benched at our November General Meeting that received both Judges Choice and Popular Vote achievements for Bob Jenkins & Shirley Kuhl.

Source – www.travaldo.blogspot.com

Dendrobium sulcatum also called The Furrowed Lip *Dendrobium*, *Callista sulcata*, is a species of the genus *Dendrobium*. This species was described by John Lindley in 1838.

Dendrobium sulcatum is native to India and Southeast Asia, including Myanmar, China, northern Thailand, Laos, and Vietnam. In India, their natural habitats extend from the tropical valleys near Kalimpong and Darjeeling in Sikkim to the Khas Hiss (Khasia), Assam, Manipur and Meghalay. In north-eastern India, they grow at heights of 500-1000 metres.

It is a small to medium sized, warm growing epiphyte, which reaching 20-45cm in height, that has flattened, 25cm long, clavate pseudobulbs carrying 2 apical, ovate, 10-20cm long leaves.

The Furrowed Lip Dendrobium blooms in the late spring on a short, pendulous inflorescence produced below the apical leaf and is not much longer with very short lived, fimbriate flowers. The flowers are 2.5 to 3.5cm in diameter and have a shape similar to bowls or bells. The flakes of both whorls may be bright or faded yellow or orange yellow with darker lines. The orange lip has red veins and brown or red-brown nerve veins on both sides at the base. The ruffle has a boat shape, it seems to be folded and has hairs along the banks. At the top, there are small, pincer-like appendages.

CARE & CULTURE

Cultural information should only be used as a guide and should be adapted to suit you. Your physical location, where you grow your plants, how much time you have to devote to their care, and many other factors, will need to be considered. Only then can you decide on the cultural methods that best suit you and your plants.

LIGHT

Dendrobium sulcatum needs a light level of 25000-35000 lux.

TEMPERATURE

The average summer temperature is 28-29 degrees Celsius, night 22 degrees Celsius, giving a daily difference of 7 degrees Celsius. The average temperature of the winter day is 21-27 degrees Celsius, the night 7-12 degrees Celsius, which gives a daily difference of 13-14 degrees Celsius.

HUMIDITY

For most of the year, The Furrowed Lip Dendrobium needs the humidity of 80-85%, but within 3 months at the end of winter it drops to 65-70%.

SUBSTRATE, GROWING MEDIA, AND REPOTTING

Dendrobium sulcatum can be grown mounted on tree-fern rootstocks or cork, with high humidity and watering in summer at least once a day. If they are grown in pots, any loose, fast-drying substrate is recommended. Repotting can be performed in any period as soon as new roots grow.

WATERING

During the growing season from Spring to early Autumn, the rainfall is abundant, but it is dry during the 2-3 winter months. In Spring and Summer, the plants should be constantly moist but not soaked, and when new growths reach maturity in Autumn, the amount of water should be gradually reduced.

HUMIDITY

Dendrobium polyanthum needs average humidity of almost 90% in summer but drops to 55-60% for almost the entire period of winter. In the spring, just before the beginning of the rainy season, the humidity for almost 2 months is only 40%.

MONTHLY MEETING – ANNUAL COMPETITION RULES

The monthly popular vote competition is divided into two groups: **ADVANCED** and **NOVICE**. Upon joining the society members can elect which group to enter. However, if you have minimal experience in orchid culture, you will be placed in the novice group (*default joining group*), if you have considerable-extensive experience in orchid culture you *may* be placed in the advanced group. The winner of the novice group each year will automatically advance to the advanced section. If you are still in the novice section after a period of 10 years continuous membership you will also automatically advance to the advanced section. Plants can be tabled in the advanced and novice groups under the following sections:

ADVANCED SECTIONS

Cattleya – up to 100mm	Vandaceous – up to 65mm	Species (All Genera)
Cattleya – over 100mm	Vandaceous – over 65mm	Paphiopedilum
Phalaenopsis – up to 60mm	Dendrobium	Catasetinae
Phalaenopsis – over 60mm	Oncidiinae	Miscellaneous

NOVICE SECTIONS

Cattleya – up to 100mm	Oncidiinae	Species (All Genera)
Cattleya – over 100mm	Vandaceous	Miscellaneous
Dendrobium	Phalaenopsis	

Plants must be owned and grown by the member for **at least six months** prior to being tabled at a meeting. Plants must be tabled by the owner of the plant/s (eg: - A & B Blogs – either of these people can table the plants- BUT no proxy entries). Each section requires a minimum of three plants, except in the miscellaneous section. In the event of a section not having three plants, then, if in any of the two Cattleya sections, or any of the two Vandaceous or Phalaenopsis sections they are combined, in any other section they are moved to miscellaneous. On recommendation from the Registrar and at the discretion of the Executive Committee, sections may be increased or altered to suit flowering orchids tabled.

POPULAR VOTE COMPETITION.

A grower is awarded **one point** for: – tabling a plant or plants; – on winning a popular vote from all attending members in each section. The member with the greatest number of points for the year is the winner. In the event of a draw the grower with the greater number of plants tabled for the year shall be declared the winner.

JUDGES CHOICE COMPETITION

Judges will include all judges and associate judges present on the day who are willing to participate in a Judging team led by the most senior or experienced judge in attendance. Each month the Judges will select three plants from all plants tabled (Advanced and Novice Sections) as being the outstanding blooms of the day and each plant will be awarded 1 Judges choice point. The grower receiving the greatest number of Judges choice points for the year shall be declared the winner. In the event of a draw the grower with the greater number of plants tabled for the year shall be declared the winner.

COMPETITION PRIZES.

In winning a voting section or judge's choice at each monthly meeting, cash prizes of \$5.00 per popular vote winner and \$10.00 per Judges choice will be presented at the annual ROSI Christmas function/presentation night. A perpetual trophy as well as a smaller trophy to keep will be awarded to the winners of the advanced and novice popular vote competition and the member gaining the most points in the Judges choice competition during the year.

OUTSTANDING ACHIEVEMENT TROPHY

Competition for this trophy commences December 1st and closes November 30th of the following year. This trophy is awarded to the member of a plant receiving the highest award/points for an orchid.

The highest award being an award from the AOC – STOCQ then followed by a ROSI club award. In the case where no plants had been awarded for the year then the trophy will go to the Grand Champion winner/s from that years' ROSI Shows. In the case of a draw the trophy will be shared between the winners. The trophy will be presented at our annual Christmas function/presentation night. (The allocation of the trophy in this section may be changed pending a decision by the ROSI executive members.)

CAVEAT: To enter any of the above competitions you must be an active (financial) member of the ROSI and have attended at least (3) official functions of the ROSI each calendar year. This includes monthly meetings, ROSI workshops or shows.

ANNUAL GENERAL MEETING

All financial members are eligible to nominate for an Executive or Ex Officio position within the club. All members are encouraged to apply for a position if they feel that they could hold a position within the governing body of the club. If you have an interest in a position, or believe that you could fulfil a certain position, why not submit a nomination? New ideas and diversity are welcome and ensure a growing and prosperous club.

MEMBERSHIP RENEWAL

Your annual fees are due to be paid before the Annual General Meeting in February. Could you please complete and return the below nomination form when paying your fees, or once fees have been paid if paying by Electronic Funds Transfer / Bank Deposit. Completing this form and providing us with your contact details will enable us to check and update all your information. If paying by cash at the meeting, please put the money in an envelope with your name on it and hand to the Treasurer.

ROSI strongly endorses reducing paper printed newsletters, thereby all newsletters will be emailed to members' email addresses.

(ROSI Members who do not have email access can still request printed newsletters for the same membership fee, however this may be subject to change in the future. Please contact either Sandra Rowcliffe or Karen Carr.)

Fees can now be paid at a General Meeting or by direct deposit by Electronic Funds Transfer or by Bank Deposit into our Bendigo Bank account. The Rockhampton Orchid Society Inc. has a **single membership fee per household** policy, which allows for a single fee to apply for a Family/Couple or Single.
